Hello VIP Members,

We have our February calendar of events all set to go. **First Wednesday** of each month will be dedicated to our VIP members to show and shine! So, our next and first **"Meet The VIP"** monthly is on February 3rd, next Wednesday at Hong Kong Royal in Carrollton. Come and make your VIP investment work for you. We already have meetings, events, the Featured VIP website, VIP news and VIP announcements on our main site, businessPRnews.com. In addition, we also have newsletters, monthly and weekly, send to our groups, about our upcoming meetings and events, and to show and shine our VIP members along with our busy news. Come on right now and network!

Note, our **first weekly newsletter** will have a list of all VIP members in it. So, be sure to check your VIP profile at our [Featured VIP site](#) and make sure it is just the way you want.

As a VIP member, you are welcome to pick a date and **be a speaker** on the subject matter related to the theme of the particular event, or **be a presenter** for your business on any one of the calendar dates.

Here's our February calendar <http://businessprnews.com/upcoming/events/february2010>. You can even [print the PDF from online](#). Note, we will update the PDF as we update our Meetings and Events during the month.

You will also be receiving our monthly and weekly newsletter of all that is happening during the month and the week.

Come on out and network with us in any time you can. If you have a special event, like [Debbie Sardone's fundraiser](#), and [Jim Fortin's webinar](#), send it to me. Upon approval, we will post the announcement online for you at our BusinessPRnews.com and send it out with our weekly newsletter.

Join us and make 2010 a year of Success!

See you all soon.
